Dear Magistrate Judge Moses,

I am also sending this and other info through the Pro Se intake office but it will not arrive before the 5/27 deadline. Even though your order was signed on 5/13, I did not receive it from my attorney until 5/21 (Saturday).

I will also be enclosing motions for sanctions against my former attorney Garbarini, who this honorable Court has retained jurisdiction over regarding sanctions, as well as having filed a complaint with the Manhattan District Attorney's office regarding over \$12,000 in missing funds.

Will you please accept this notification that I do intend to pursue these, and all my cases, and am desperately seeking counsel. I have an attorney but he cannot evaluate these cases quickly enough. I am mailing letters today from Indiana.
